Marital: Married

PROFESSIONAL SUMMARY - 7 YEARS

- Instructional Designer and learning technology professional with experience across Instructional Design, eLearning Development, Digital Learning, LMS Administration, and Learning Analytics.
- Design learner-centred training and develop interactive learning experiences while bringing practical knowledge of enterprise learning platforms, content operations, and reporting. Known for connecting learning design with the systems, workflows, and data that support successful learning delivery.

WORK HISTORY

Sanofi Healthcare India Pvt. Ltd. - Hyderabad (Aug 2025 - Present)

Instructional Designer

- Conduct Training Needs Analysis (TNA) and content analysis to identify learning gaps, define learning objectives, and recommend learning solutions aligned with business requirements.
- Applying ADDIE, Bloom's Taxonomy, and storyboarding to design learner-centered, structured, and microlearning experiences.
- Collaborate with Subject Matter Experts (SMEs) and stakeholders to transform complex technical and business content into clear, engaging, and instructionally effective learning solutions.
- Design and develop eLearning and digital learning modules for onboarding, compliance, leadership, and technical training programs.
- Develop interactive eLearning courses using Articulate Storyline 360, Rise 360, Easygenerator, Vyond, Canva, and Microsoft PowerPoint.
- Design knowledge checks, quizzes, branching scenarios, gamification, badges, interactive activities, and whiteboard animation videos to reinforce learning, engagement, and knowledge retention.
- Manage multiple instructional design and eLearning development projects, coordinating content development, SME reviews, stakeholder feedback, and delivery timelines.
- Increased learner satisfaction from 85% to 90% through curriculum redesign using interactive, learner-centered instructional strategies.

Sify Technologies Pvt. Ltd. - Chennai (Jan 2022 - May 2025)

Learning Management System Administrator

- Administered and configured LMS platforms, including learner management, course assignments, learning schedules, Instructor-Led Training (ILT) scheduling, enrollment, content visibility, and access management.
- Managed end-to-end LMS operations for global enterprise clients across technology, banking, and financial-services environments, supporting 2,000+ learners.
- Automated user provisioning, course assignments, and learning schedules to support enterprise-wide digital learning initiatives.
- Implemented ServiceNow and JIRA workflows that reduced issue-resolution time by 30%, while maintaining 98% course-catalog data accuracy.
- Built automated learning analytics dashboards that reduced manual reporting effort by 40% and improved training-compliance visibility for stakeholders.
- Collaborated with HR, L&D, IT, and other departments to align learning technology, competency frameworks, and regulatory requirements.
- Worked with SABA LMS, SCORM 1.2, ServiceNow, JIRA, Zendesk, and learning analytics.

Sutherland Global Services Pvt. Ltd. - Chennai (May 2019 - Dec 2021)

Customer Support Analyst

- Provided technical support through voice and chat for Windows, Android, and iOS environments, assisting users with technical and application-related issues.
- Diagnosed and resolved hardware, software, connectivity, and user-access issues, applying structured troubleshooting and problem-solving techniques.
- Managed complex and high-pressure customer interactions while maintaining service quality, clear communication, and effective issue resolution.

Associate Sales Consultant

- Handled billing and customer-retention interactions using needs-based selling and consultative communication.
- Supported customer retention and contributed to improved Average Order Value (AOV) through needs-based recommendations.
- Consistently achieved strong promoter scores while maintaining positive performance across customer-service metrics.

ACADEMICS & CERTIFICATION

Bachelor's in Computer Science (2016 - 2019)

Asan Memorial College of Arts & Science, University of Madras

Google Data Analytics Professional Certificate

Google | July 2025
